OFFICE POLICIES

Office Hours:

Monday – Friday: 8:00 AM - 4:00 PM Lunch- 12:00 PM – 1:30 PM
Saturday: 9:00 AM-1:00 PM Sunday: Closed

Insurance Payment Policy

Please present your insurance card and driver's license at the time of check in. We do not verify benefits for most follow up appointments. Please be aware that it is ultimately your responsibility to know your healthcare benefit coverage. If you do not know your benefits we strongly recommend that you contact your insurance carrier with any questions you may have regarding your coverage prior to your services rendered. On each date of service, you will be expected to pay the co pay/coinsurance/deductible amount that is listed on your insurance card. Please note this is only an estimated amount. After your insurance company has paid their portion, it is probable that you will receive a bill from North Texas Institute of Neurology and Headache for any amount that has been applied to your deductible or coinsurance.

Self-Pay Patients

Our office does not see self-pay patients.

Forms of Payment

We do not accept checks on the initial appointment. Payment is accepted in the forms of cash, checks, or debit cards (Visa, MasterCard, American Express, or Discover).

Medical Records

Medical record requests are now handled by a third party, HealthMark Group. To request your records, submit a request by creating an account at <https://medrelease.healthmark-group.com/360>. You may also request your records through our office. If you choose to submit a request through our office, a records release form will need to be completed in our office or sent to the office via fax. Should any fees be required, HealthMark Group will send out an invoice. Records will be available within 24-48 hours, unless pending payment. If you have not received any response regarding your request, please call our office.

Medication Refills

Please allow our office 72 hours for medication refills. Medication refills will only be filled during our normal business hours listed above. The on-call physician will not fill standard, non-urgent refills after hours.

Outside Venues

Our office may have contractual financial interests in venues such as Sleep Studies, EEGs, UAs, MRIs and Compound Pharmacies.

These interests do not in any way impact medical decisions, treatment options or financial obligations for our patients.
